

* ADVERTISING TECHNICIAN

m3 is an independent creative agency where we have been developing and maintaining brands and products for over 20 years. Producing in-house makes it possible to implement ideas in a flexible and comprehensive way, from holistic concepts for online and offline advertising, innovative strategies in social media marketing to branding and special designs.

We are looking for a **dedicated advertising technician** to join our team as soon as possible.

Your tasks:

- Producing lettering, illuminated advertising, wrappings and signage
- Affixing films and stickers to signs, windows, other surfaces
- Affixing wraps on vehicles and all kinds of surfaces
- Digital printing and finishing (laminating, cutting)
- Creating print and plot data
- Affixing self-adhesive, glass decoration and sun protection films
- Installing the created advertising media in the company and on site
- Manual work

Your profile:

- You speak German
- You hold a class B driving licence
- You are a skilled manual worker and interested in learning new things
- You enjoy doing this by yourself, showing initiative in your work and are reliable, structured and precise
- You are creative and have a flair for trends and technical developments
- You like working in a team and capable of swiftly understanding new and complex matters
- You are open-minded, curious and loyal
- You think and act proactively, and work in a forward-looking, agile and solution-oriented way

WE OFFER:

- The opportunity to contribute your ideas and experience to furthering the overall success of a successful, future-oriented company with:
- A highly varied project portfolio, interesting clients and a very well-oiled and strong team
- A permanent position with performance-related remuneration and social benefits
- Regular working hours
- Workshops and further training on current topics
- Very professional project management

Have we whet your appetite? Then send us your application in full, indicating your earliest possible starting date, by e-mail (agentur@mediadrei.com) to Ing. Alexander Eltner.

Remuneration: from €2,300 gross/month (**higher salary available** depending on qualifications)

We look forward to receiving your application.
